Vaccines may very well be the Greatest Success Story of Science, completely eradicating Smallpox, and saving millions of lives every year by fighting the threat of disease. Become an Immunization Champion for your practice and keep this Success Story alive! Participants take the tools they learn back to their respective practice and become advocates for their fellow staff and clients. These interactive trainings offer continuing education credits and are constantly updated to reflect changing needs in immunization education.

Full 4-Hour Training Includes:

- Vaccine Safety and Handling
- Florida Shots
- Florida School Immunization

- Vaccine Hesitancy & Talking to Parents
- Interactive Exercises
- Fun pop questions with prizes

****With an optional Vaccine Administration module from 5-5:30pm**
