The Florida Department of Health in Pinellas County (DOH-Pinellas) invites the community to the dedication of the newest Fitness Zone at Lealman Neighborhood Park, 3890 55<sup>th</sup> Ave. N., St. Petersburg. The dedication is **at 9 AM on Tuesday, May 24**. Parking is available on 55<sup>th</sup> Ave. between 37<sup>th</sup> St. and 39<sup>th</sup> St.

Elected officials and other dignitaries will join community representatives for the dedication.

Fitness Zones are outdoor recreation areas with people-powered equipment that anyone can use at no cost. They're located in parks from Tarpon Springs to south St. Petersburg and are open during park hours. Two Fitness Zones have wheelchair-accessible exercise equipment.

The Lealman Fitness Zone is the 14<sup>th</sup> one in Pinellas; the 15<sup>th</sup> will open at Largo's Datsko Park this summer. They are funded by DOH-Pinellas' Partnerships to Improve Community Health (PICH) grant, which is administered by the Centers for Disease Control and Prevention to provide more opportunities for physical fitness and healthy nutrition in communities around the nation.

The Florida Department of Health also has a Healthiest Weight Florida initiative, a public-private collaboration bringing together state agencies, not-for-profit organizations, businesses and entire communities to help Florida's children and adults make choices about healthy eating and active living.
