Dental Care for Pregnant Women

Available Services Include:

- Dental Exam
- One Dental Cleaning
- Extractions/Relief of Pain

The Health Department is offering free dental care for pregnant women who participate in Healthy Start and/or receive their prenatal care at the Clearwater Health Center. The services are available by referral from your Healthy Start Care Coordinator and as part of your clinical prenatal services you received.

Contact your Healthy Start Care Coordinator to request a referral. Your Healthy Start Care Coordinator will send the referral to the Dental Clinic of your choice.
