Car Seat Information

Attention Parents and Guardians!

Do you need a car seat for your child and cannot afford to purchase one at retail prices?
Do you have a car seat for your child, but are not sure how to install it properly in your vehicle?

If yes to one or both of these questions, then this class is for you!

This informative and interactive class is designed to show you how to use and properly install your child’s car seat in your vehicle. If you are unable to purchase a car seat for your child at retail prices, convertible seats (for children birth to 4 years) are $20 and booster seats (for children 4 years to approximately 8 to 10 years old) are $10.

SUPPLIES ARE LIMITED TO 1 CAR SEAT PER CHILD

A nationally certified child passenger safety technician teaches all classes and will also assist you as you install your car seat in your vehicle.

Classes are offered during the month at various times throughout Pinellas County and include morning, afternoon, evening, and Saturday.
Check website for dates, locations.

This class is for parents or guardians, however, the information is for everyone responsible for transporting your child, so please invite them to attend the class with you. You will be glad you did!

**Transportation**

**Medicaid transportation**

All Medicaid recipients in Pinellas and Pasco Counties will have to access Medicaid services, including transportation, through one of the four Managed Care Organizations listed below.

1. You must have a letter from the Agency for Healthcare Administration (AHCA) that lists the Managed Care Organization (MCO) you have been assigned to. If you do not have a letter, then:

2. Contact AHCA to find out which MCO is designated for your use by calling their Choice Counselor Hotline at (877) 711-3662 x1 (for English), then x1 (for information), then x4.

The transportation hotline for each of the four (4) Managed Care Organizations (MCO) serving Pinellas County are:

- **AmeriGroup**  (866) 372-9796 (Transportation broker LogistiCare)
- **Prestige**  (855) 381-3778 (Transportation broker Access2Care)
- **Staywell**  (866) 591-4066 (Transportation broker MTM)
- **Sunshine**  (877) 659-8420 (Transportation broker Access2Care, Formerly TMS)

When calling the MCO (at the phone number above), you will be asked for your Medicaid number, trip purpose and details like address and time of appointment. The MCO will send this information to one of their transportation brokers, who will schedule the trip with a local transportation provider.

If there is a problem with the trip, call the MCO’s transportation number first, as they will enforce their contract with the transportation broker who will talk to the transportation provider. If this is not effective, file a complaint with AHCA via their website or phone number.

**LEARN MORE:**

AHCA has a comprehensive website with links to a program snapshot, FAQs and a Complaint Form at [http://www.ahca.myflorida.com/smmc](http://www.ahca.myflorida.com/smmc)
