

## Pinellas County License Board for Children's Centers & Family Day Care Homes

Our mission is to protect and promote the health, safety, and mental development of children cared for in children's centers and family child care homes in Pinellas County

---

**Patsy Buker, Executive Director**  
**Judi Vitucci, PhD., Chairperson**

### **New Child Identification Form**

A new child ID form has been made to include the Emergency Medical Release, since the EMR only has to be notarized once, unless there is a change in guardianship, in which case a complete new child ID form must be completed.

Please take the time to review before handing out to parents as there are some other minor changes. The new form will be posted on our website at [www.pclb.org](http://www.pclb.org) under home forms.

Although this is a required form, you may also continue to use the current form that you have. (This form will be removed from the website) Both forms will be accepted when a licensing inspection is conducted.

You do not have to have the parents of your currently enrolled children fill out the new form; the old form is still acceptable.

Just remember, if you use the old form of the child ID, you must have the parents fill out the one page Emergency Medical Release form. This form will stay on the website and is still acceptable.
