MEMORANDUM OF UNDERSTANDING

THIS MEMORANDUM OF UNDERSTANDING (“MOU”) is made and entered into as of this 23rd day of October, 2008 (“Effective Date”), by and between Pinellas County, a political subdivision of the State of Florida, (“County”) and the Pinellas County License Board for Children’s Centers and Family Day Care Homes, an independent special district with the State of Florida, (“PCLB”).

WITNESSETH:

WHEREAS, pursuant to Chapter 61-2681, Laws of Florida, and Chapter 70-896, Laws of Florida, as amended (the “Act”), the PCLB licenses and regulates children’s centers and family child care homes in Pinellas County to protect and promote the health, safety and mental development for children cared for in these child care facilities (the “Program”); and

WHEREAS, as authorized by the Acts, the Board of County Commissioners previously consented to the Office of the County Attorney providing legal representation to the PCLB in civil matters; and

WHEREAS, the County Attorney has determined that it would not be appropriate or permissible in accordance with the Rules of Professional Conduct to continue to provide legal representation to the PCLB, and the County desires to provide financial assistance to the PCLB to secure legal counsel to aid in the transition to new legal representation, as provided herein.

In consideration of the mutual promises set forth herein, the parties hereby agree as follows:

1. The PCLB shall secure legal representation to handle all legal matters, pending or in the future, relating to its Program duties and responsibilities as defined in the Acts and applicable Florida Law, effective November 1, 2008. The manner and scope of legal representation shall be determined by the PCLB in its sole discretion.
2. The County shall pay to the PCLB the sum of \$7,500.00 to be utilized by the PCLB to secure legal representation as provided in Section 1 herein, upon receipt of an invoice from the PCLB in accordance with Section 218.70, et seq., Florida Statutes, the “Florida Local Government Prompt Payment Act.” The County shall have no obligation to contribute any sums in excess of the sum set out herein, and the PCLB shall be responsible for and fund all costs and expenses related to the Program.
3. This MOU shall commence on the Effective Date and shall terminate on June 30, 2009.
4. The County and the PCLB shall be fully responsible for their own acts of negligence and their respective agents’ acts of negligence, when such agents are acting within the scope of their employment; and shall be liable for any damages resulting from said negligence to the extent permitted by section 768.28, Florida Statutes. Nothing herein is intended to serve as a waiver of sovereign immunity or shall be construed as consent by either party to be sued by third parties in any matter arising out of this MOU.

5. The PCLB shall permit examination or audit of all MOU related records and documents during or following the termination of this MOU, and shall maintain such records and documents for at least three (3) years following the termination of this MOU.

6. It is hereby mutually agreed that the PCLB is not acting as an agent or employee of the County.

7. Neither party may subcontract, assign or transfer its rights or obligations under this MOU without prior written consent of all other parties.

8. This MOU constitutes the entire agreement between the parties and may be amended only in writing, signed by all parties to this MOU.

IN WITNESS WHEREOF, the parties hereto, or their lawful representative, have executed this MOU as of the Effective Date.

RESOLUTION DESIGNATING HEARING OFFICER
PINELLAS COUNTY LICENSE BOARD FOR
CHILDREN'S CENTERS & FAMILY DAY CARE HOMES

WHEREAS, Chapter 61-2681, as amended by Chapter 70-893 and Chapter 2007-277 Laws of Florida, created the PINELLAS COUNTY LICENSE BOARD FOR CHILDREN'S CENTERS & FAMILY DAY CARE HOMES (License Board) which is the local licensing agency for Pinellas County child care facilities; and

WHEREAS, the License Board conducts proceedings involving the imposition of administrative fines or the denial, suspension or revocation of child care licenses in accordance with the provisions of Chapter 402, Florida Statutes; and

WHEREAS, Florida Statutes, section 402.310(3) requires the County Commission to designate hearing officers for appeals of administrative action taken on behalf of the License Board; and

WHEREAS, the Commission recognizes that the requirement for formal proceedings under Chapter 120, F.S. (Administrative Procedures Act) will call for the use of a Florida State Department of Administration hearing officer in some cases, whereas, in other cases, the utilization of a retired senior judge as the hearing officer would be more practical and more economically feasible; and

WHEREAS, the Commission considers that the Chairman of the License Board would be the most qualified person to make such a decision on a case-by-case basis; and

WHEREAS, the County Attorney no longer prosecutes administrative actions on behalf of the License Board.

IT IS THEREFORE RESOLVED

The Commission hereby designates that either a senior judge available through the Court Administrator's Office or a hearing officer designated by the Department of Administration may be utilized as Chapter 120 hearing officers for the License Board.

The Chairman of the License Board or his/her designee, shall, under the limitations set forth above, arrange for hearing officers on an as-needed, case-by-case basis.

The License Board shall be responsible for compensating senior judges or hearing officers designated by the Department of Administration.

Resolution 92-174 is hereby repealed.

EMERGENCIES

EMERGENCY REGULATIONS

October 6, 2010 – original date

The following is from the Emergency Regulations originally approved by the Board August 2006 and revised as necessary:

All licensing regulations will be in effect during emergencies. Licensees wishing to operate under these self-executing Emergency Regulations would be subject to conditions 1-3 listed below; 4 is an agency operation policy. Emergency Regulations are approved by the Board and may be found in the Board's Reference Manual and on the PCLB website (www.pclb.org).

1. Emergency Regulations will become effective upon the declaration of a State of Emergency by the Pinellas County Board of County Commissioners pursuant to Florida Statutes, Chapter 252, and will remain in effect for up to 72 hours after the State of Emergency has been rescinded. The PCLB Executive Director, or designee, is granted the authority to extend the use of Emergency Regulations as the situation dictates. After Emergency Regulations are rescinded, Licensing Regulations governing children's centers and family day care homes would again be in effect.
2. After a fire or natural disaster, the children's center/family day care home or large family day care home provider must notify the Child Care Licensing Program within 24 hours as to their status of operation in order for the Child Care Licensing Program to ensure health standards are met for continued operation as a children's center/family day care home or large family child care home. Damage to the building or property/home may require approval from the Child Care Licensing Program and in addition may require the Health Department and/or other agencies to inspect and approve the premises. (*Wording corrected 9/12/08*)
3. Emergency Regulations represent a variance to Licensing Regulations. A variance is a privilege and not a right; as such, it can be withdrawn at anytime, with or without cause and without the right to appeal. Negative sanctions may also be brought against the licensee's regular license, if appropriate.
4. The PCLB Executive Director is given the authority to approve specific centers or homes to use Emergency Regulations during states of emergency declared by the Board of County Commissioners of Hillsborough, Pasco, or Manatee pursuant to Florida Statutes, Chapter 252, upon a showing that the licensee's request is based upon the need to care for refugee/evacuee children.

EMERGENCIES - continued

October 6, 2010 – revised

Each year prior to Hurricane season, staff will place on the PCLB website and advertise in print and electronic media the availability of Emergency Waivers for mandated first responders and essential aftermath businesses.

EXECUTIVE ORDER FOR STATUTE-RULE MODIFICATION

October 6, 2010 – original date

On June 19, 2007, the Board approved the activation of the Executive Order during a declared disaster and signing by the Executive Director. The Executive Order requests the Governor to decrease certain regulatory child care standards for Pinellas County in order for critical/essential personnel to perform recovery duties for the community and that child care has been identified as a needed component.

The Executive Order and accompanying request for decreasing standards are attached.

Governor Charlie Crist
Office of the Governor
The Capitol

Fax: 850-487-0801 Phone: 850-488-7146

Dear Governor Crist:

The Pinellas County License Board for Children's Centers and Family Day Care Homes (PCLB), the agency that licenses nearly 1100 children's centers and family day care homes in Pinellas County, is making preparations and plans for this hurricane season.

On behalf of the PCLB, I respectfully request an Executive Order to allow decreased regulatory child care standards for licensed children's centers and family day care homes in Pinellas County. In order for critical/essential personnel to perform recovery duties for the community, child care has been identified as a needed component.

Our agency, in an effort to be proactive and best serve our children and families, hopes you will consider our request. The Office of Emergency Management in cooperation with PCLB has the authority to activate this request based on their determination of the county's status, need, and ability to maintain existing child care licensing standards.

The attached charts, one for children's centers and the other for family day care homes, denote the standards to be reduced.

Thank you for your service to our state.

Sincerely,

Patsy Buker
Executive Director

July 7, 2010 - revised

1. Public Comment Procedure for Regular and Special Board Meetings, and Public Hearings:

1. Sign-up in person to comment on each agenda item or proposed increase in standard prior to the start of the meeting.
2. When your name is called, come to the podium, be recognized by the Chairman, state your name, and make your comment. Comments should be concise and to the point. Supporting documentation may be distributed to the Board. Documents will be filed with the minutes.
3. Individual speakers have up to 3 minutes.
4. A spokesperson representing a group present has up to 5 minutes. Supporters may stand while the comment is being made.
5. Clapping, heckling or verbal outbursts in support or opposition to a speaker's comments is discouraged.
6. Repetitious comment(s) are also discouraged. If a speaker is saying what you signed up to say, you may stand during their comment and then decline when your name is called to speak.

Public Comment Sections of the Agenda:

- Public Comment Section during Regular Meetings: Sign up to comment on items NOT on the agenda.
- Action Items Section: Sign up to comment following staff presentation of the action item and prior to Board action.

Note:

Comment to the Board does not constitute a formal complaint, is not considered a request for records under the Public Records Act, and does not require staff response unless directed to do so by Board.

2. Making a Presentation to the Board:

To make a presentation to the Board lasting longer than 3-5 minutes but not longer than 10 minutes, please contact the Child Care Licensing Program office at 727-507-4857 for an application. All applications must be submitted at least 10 days prior to the Board meeting at which the presentation would occur.

Staff Note: Applications will be reviewed for relevance to Board actions and not content.

3. Process for Decreasing or Increasing Licensing Regulations (Highlighted words are from Chapter 61-2681 et al):

Decreases:

- In the event the License Board determines it reasonable to decrease the requirements of any particular standard, it may do so by action of the Board only. However, state regulations (Chapters 65-C and 402) can only be decreased by the state not by county authority.

Increases:

- At a regular or special meeting, the Board will review the proposed increase for the first time. There shall be a finding of necessity, not merely desirability. The Board will hear public comment according to the procedure above.
- Following the meeting if approved, the licensing program must notice the finding, and mail to all licensees the old standard, the proposed new standard, the reason for the change and a hearing date.
- At the hearing, Board must give an opportunity for all affected persons to present their views. The Board will hear public comment according to the procedure above.
- The proposed new standard may not be considered (discussed) again by the Board until a meeting at least 90 days after the hearing, at which time, if approved by at least 5/7 of the Board, it shall be adopted. The Board will hear public comment according to the procedure above. During the 90 day period, written public comment may be received and will be forwarded to Board members, however, Board cannot discuss it until the final meeting.
- Any new standard must provide a reasonable effective date. The Pinellas County License Board must provide sufficient notification to providers and must establish a reasonable effective date.
- Substantive changes made during the Final Agency Action would necessitate a new Public Hearing.

A. In the event a member of the public proposes or drafts a bill that effects Chapter 61 et al and wishes to present it to the Board:

1. The person(s) may present the proposed bill to the Board at anytime during the public comment portion of its meeting pursuant to the guidelines above or in writing to the Executive Secretary who will forward it to the Board.
2. However, if the Child Care Licensing Program is notified at least seven (7) days in advance of a Board meeting that a person or person(s) would like to present a proposed bill, the Licensing Program will include the presentation of the proposed bill on the agenda of the next Board meeting, which is published on the program's website. The Board will determine the length of the presentation by the presenter pertaining to the proposed bill, but in no event will it be less than 10 minutes. At their discretion, the Board or licensing program may schedule a special meeting or public hearing regarding the proposed bill presented.
3. Board may choose to refer the proposed bill to staff for research and set a date for staff to present their findings. Board may also choose to send a letter of support or disagreement to the legislature.
4. Nothing set forth above limits the Licensing Program or the Board's ability to present or discuss or take action on proposed bills or legislation during a regular meeting or special meeting or public hearing without a presentation by a member of the public.

[Operational Policy]

PINELLAS COUNTY LICENSE BOARD FOR CHILDREN'S CENTERS AND FAMILY DAY CARE HOMES
RULES OF PROCEDURE FOR HEARINGS

1. PURPOSE:

In accordance with the authority given to this Board by its enabling acts, and in accordance with this Board's desire to conduct its hearing procedures in a fair and impartial manner, the following rules of procedure are hereby adopted. These rules shall be binding upon the Board in its hearings and shall only be subject to change by the affirmative vote of a simple majority of members. The Board may adopt further "guidelines" as it deems necessary to further assist the parties in preparing for the conduct of these proceedings, however, such guidelines shall not have the force or effect of these rules. The adoption of these rules supersedes all Board Rules adopted previously.

2. AVAILABILITY OF HEARING:

Any licensed provider or applicant who has been issued a Notice of Imposition of Fine, Notice of Intent to Revoke, Notice of Intent to Suspend, Notice of Intent to Convert to Probationary Status, or Notice of Intent to Deny Application is entitled to request a hearing under these procedures.

3. REQUEST FOR HEARING:

Providers or applicants entitled to a hearing shall, as a condition precedent to being granted a hearing, file a written Request for Hearing. Such Request for Hearing must be received by the Pinellas County License Board for Children's Centers and Family Day Care Homes within fifteen (15) calendar days of receipt of written notice of fine, intent to revoke, suspend or deny to which the provider or applicant is being subjected. The Request shall be deemed effective upon actual receipt. Failure to provide such written request within the fifteen (15) day period shall constitute a voluntary waiver by the provider or applicant of all rights to an administrative appeal and the license will be deemed suspended, revoked, or converted to probationary status, or the application denied, or the administrative fine shall be imposed.

The Request for Hearing shall contain, as a minimum, the following items:

- (a) a statement that the person filing the Request for Hearing is entitled to an appeal;
- (b) a brief statement of the action which is being appealed and the basis for the appeal; and
- (c) a specific request for relief (i.e. a request to the hearing officer to take specific action).

The appealing provider or applicant shall be limited in the scope of his or her appeal to the issues which are raised in the Request for Hearing.

4. NOTICE TO PROVIDER, APPLICANT, BOARD AND INTERESTED PARTIES:

Within two (2) working days of receipt of the provider or applicant's Notice of Appeal/Request for Hearing, the PCLB staff shall transmit to the PCLB Attorney the Notice of Appeal/Request for Hearing and the underlying action being appealed. The Attorney shall then schedule a hearing with a senior judge and this information shall be furnished by U. S. mail by the Attorney to all interested parties forthwith. Absent a waiver from the provider, the hearing must be held within thirty (30) days of the effective date the Notice of Appeal/Request for Hearing.

5. HEARINGS:

All hearings and proceedings related thereto shall be conducted according to the rules followed by the Department of Administrative Hearings, as found in Florida Statutes, Chapter 120, as may be amended.

6. APPEALING PARTY FAILS TO APPEAR:

Where a proceeding is commenced by a party pursuant to the Special Act or the procedures adopted pursuant thereto, and said party, after filing their initial Request for Hearing, fails to appear for any scheduled proceedings, such party shall be deemed to have waived their appeal, and accepted the decision of the PCLB staff as final. Further, said party agrees that the Hearing Officer is authorized by this Rule, to dismiss said appeal and submit a Recommended Order to that effect.

7. REVIEW BY BOARD:

Upon receipt by the PCLB Attorney of executed Findings of Fact and Recommendations of the Hearing Officer (Order) from the Hearing Officer, the same shall be distributed to all interested parties. Either the PCLB or the appealing provider or applicant – whichever is aggrieved by the Order – shall have the right to file written Exceptions to the Board within fifteen (15) days of their receipt of the Order. If both parties are aggrieved, then the party against whom the written Exceptions are filed, would have the right to file written Cross-Exceptions within fifteen (15) days of their receipt of the original Exceptions.

Responses to Exceptions shall be filed within ten (10) days of the service of the Exceptions, and time shall be computed in accordance with Florida Administrative Code, rules 28-106.217 and 28-106.103, as may be subsequently amended. The Board will schedule or calendar hearings in such a manner as to accommodate the time frames provided in this section and the Board Attorney will notify all parties of the date and time of the hearing.

8. WRITTEN EXCEPTIONS:

Each exception shall specify with particularity the finding of fact, conclusion of law, or recommendation which is objectionable and the reasons therefore. The exceptions themselves shall state with specificity if the finding of fact excepted to is not supported by competent substantial evidence or that the proceedings did not comply with the essential requirements of law or that the conclusion of law excepted to departs from the essential requirements of law. In accordance with Florida Statutes, section 120.57(1)(k), the Board has the right to decline to rule upon Exceptions which do not identify the disputed portion of the recommended order by page number or paragraph, do not identify the legal basis for the exception, or do not include appropriate and specific citations to the record.

Facts upon which exceptions to findings of fact or conclusions of law are based which are not set forth in the Recommended Order shall be provided by the party filing the exceptions. It is the responsibility of the excepting party to notify the PCLB Attorney so that a transcript may be promptly ordered and made available to the provider or applicant at actual cost.

9. BOARD HEARING:

All exceptions to the recommended order shall be considered at a hearing before the Board. In the event a conflict exists, the party in conflict may file a written request for continuance of the hearing, which will be considered at the hearing.

At the hearing before the Board, in cases where exceptions have been filed, each party or their representative shall each be given 15 minutes to present their argument as to why the Hearing Officer's recommended order should be adopted by the Board or why the order should be rejected or modified. The excepting party shall proceed first. The parties are limited in their presentation to matters of law and to the facts contained within the record of the administrative hearing and may not argue any facts not contained within that record. If no exceptions have been filed, no argument shall be received by the board.

Following presentations of the parties, the Board shall deliberate and either adopt the Hearing Officer's recommendation or reject or modify the recommended order, as it deems appropriate. The Board may not reject or modify findings of fact unless the Board first determines from a review of the entire record and states with particularity in the order that the findings of fact were not based upon competent substantial evidence or that the proceedings on which the findings were based did not comply with the essential requirements of law.

Board hearings shall be recorded and minutes prepared following each hearing.

Any party desiring or requiring a verbatim transcript, is responsible for retaining and compensating a court reporter to record the proceeding.

10. FINAL AGENCY ACTION:

The Chairman, or in the Chairman's absence, the Secretary or designee, shall execute the Final Agency Action prepared by the Board Attorney and reflecting the decision of the Board at the hearing held on this cause. The determination of the Board becomes final within fifteen (15) days of service of the decision if not appealed.

11. APPEALS OF FINAL AGENCY ACTION:

An aggrieved party may file an appeal of the Final Agency action with the Department of Children and Families by filing a Notice of Appeal within fifteen (15) days of service of the Final Agency Action.
