#### 2. Making a Presentation to the Board:

To make a presentation to the Board lasting longer than the allotted time for public comment on any matter, please contact the Child Care Licensing Program office at 727-507-4857 for an application. All applications must be submitted at least 10 days prior to the Board meeting at which the presentation would occur. Staff will determine whether to grant or deny the request and will set the length of time allotted for the presentation.

## 3. Process for Decreasing or Increasing Licensing Regulations

#### Decreases:

 In the event the License Board determines it reasonable to decrease the requirements of any particular standard, it may do so by action of the Board only. However, state regulations (Chapters 65-C and 402) can only be decreased by the state not by county authority.

#### Increases:

- At a regular or special meeting, the Board will review the proposed increase for the first time. There should be a finding of necessity, not merely desirability. The Board will hear public comment according to the procedure above. Following the meeting if approved, the licensing program must notice the finding, and mail to all licensees the old standard, the proposed new standard, the reason for the change, and a hearing date.
- o At the hearing, Board must give an opportunity for all affected persons to present their

views. The Board will hear public comment according to the procedure above.

- The proposed new standard may not be considered (discussed) again by the Board until a meeting at least 90 days after the hearing, at which time, if approved by at least 5/7 of the Board, it shall be adopted. The Board will hear public comment according to the procedure above. During the 90-day period, written public comment may be received and will be forwarded to Board members; however, Board cannot discuss it until the final meeting.
- Any new standard must provide a reasonable effective date. The Pinellas County License Board must provide sufficient notification to providers and must establish a reasonable effective date.
- Substantive changes made during the Final Agency Action would necessitate a new Public Hearing.

#### 4. Policy for Recording

Citizens desiring or requiring a verbatim transcript of the meeting, or needing a transcript for appeal, should, at their own expense, retain a certified court reporter to record the meeting, or the relevant portion of the meeting.

Citizens not needing a verbatim transcript or transcript for appeal may use silent, unobtrusive recording devices to record meetings.

Video cameras may be used to record meetings, but the cameras must be hand-held. Tripods may be used only in the area(s) designated by staff. The designated tripod area will not impede ingress or egress, or the ability of attendees to see the meeting and will be adjusted according to known attendance.

Persons needing an accommodation may request it by calling the Executive Director's office at 727-507-4857 at least two business days prior to the Board meeting.
