

EMERGENCY REGULATIONS FOR PINELLAS COUNTY FAMILY DAY CARE HOMES AND LARGE FAMILY CHILD CARE HOMES

Original date: August 2006; revised May 7, 2008, August 6, 2008, revised December 12, 2018

All licensing regulations will be in effect during emergencies. Only the following regulations have been decreased. Licensees wishing to operate under these self-executing Emergency Regulations would be subject to conditions 1-3 listed below; 4 is an agency operation policy.

1. Emergency Regulations will become effective upon the declaration of a State of Emergency by the Pinellas County Board of County Commissioners pursuant to Florida Statutes, Chapter 252, and will remain in effect for up to 72 hours after the State of Emergency has been rescinded. The PCLB Executive Director, or designee, is granted the authority to extend the use of Emergency Regulations as the situation dictates. After Emergency Regulations are rescinded, Licensing Regulations governing children's centers and family day care homes would again be in effect.
2. After a fire or natural disaster, the children's center/family day care home or large family day care home provider must notify the Child Care Licensing Program within 24 hours as to their status of operation in order for the Child Care Licensing Program to ensure health standards are met for continued operation as a children's center/family day care home or large family child care home. Damage to the building or property/home may require approval from the Child Care Licensing Program and in addition may require the Health Department and/or other agencies to inspect and approve the premises. *(Wording corrected 9/12/08)*
3. Emergency Regulations represent a variance to Licensing Regulations. A variance is a privilege and not a right; as such, it can be withdrawn at anytime, with or without cause and without the right to appeal. Negative sanctions may also be brought against the licensee's regular license, if appropriate.
4. The PCLB Executive Director is given the authority to approve specific centers or homes to use Emergency Regulations during states of emergency declared by the Board of County Commissioners of Hillsborough, Pasco, or Manatee pursuant to Florida Statutes, Chapter 252, upon a showing that the licensee's request is based upon the need to care for refugee/evacuee children.
