Underlined and bolded words are proposed additions/changes. Words struck through are proposed deletions.

- I. To increase fee for Family Child Care Home and Large Family Child Care Home Application including changes to application.

Current Regulation:

IX. APPLICATION, FEES, LICENSE

B. Fees

1. The License Board is authorized to charge an application fee not in excess of twenty-five dollars (\$25.00) for each family child care home for which a license is sought. All family child care home application fees are set at \$25.00

Proposed Regulation:

IX. APPLICATION, FEES, LICENSE

B. Fees

*1. The License Board is authorized to charge an application fee ~~not in excess of~~ **thirty-five dollars (\$35.00)** for each family child care home **and large family child care home** for which a license is sought. All family child care home **and large family child care home** application fees, **including application for license change** are set at **\$35.00***

FINDING OF NECESSITY: *PCLB finds it necessary, not merely desirable, to increase the cost of licensing a child care home. There has not been an increase to the cost of licensing a child care home since 2021 and over the past several, costs have gone up dramatically such as salary increases, mileage reimbursement, insurance, materials, audit costs etc. The current cost to operate licensing is outpacing any increases in funding from other funders. The increased fee will help offset the increased costs of operating expenses.*

Implementation Date: *January 15, 2026 following December 3, 2025 Board Action if approved.*

- II. To increase fee for filing a petition for a variance or waiver for Family Child Care Homes and Large Family Child Care Homes

Current Regulation:

IX. APPLICATION, FEES, LICENSE

B. Fees

5. The cost for filing each petition for a variance or waiver is \$100.00

Proposed Regulation:

IX. APPLICATION, FEES, LICENSE

B. Fees

*5. The cost for filing each petition for a variance or waiver **from a Pinellas County regulation is \$110.00 and the cost for filing each petition for a variance or waiver from a***

state regulation is \$125.00 for both Family Child Care Homes and Large Family Child Care Homes.

FINDING OF NECESSITY: *PCLB finds it necessary, not merely desirable, to increase the fee for the filing of each petition for a variance or waiver. When a provider files a petition for a variance/waiver from either a Pinellas or a state regulation staff must spend time analyzing the request and gathering information necessary from the provider. Thereafter legal counsel is consulted and an Order on the petition is drafted and entered. In addition, when a provider seeks a variance/waiver of a state regulation PCLB is required to publish it in the Florida Administrative Register and PCLB is also required to publish the disposition in the Florida Administrative Register. Over the past several years, costs have gone up dramatically such as salary increases, mileage reimbursement, insurance, materials, audit costs etc. The current cost to operate licensing is outpacing any increases in funding from other funders. The increased fee will help offset the increased costs of operating expenses.*

Implementation Date: *January 15, 2026 following December 3, 2025 Board Action if approved.*

III. To increase fee for adding overnight care for Family Child Care Home and Large Family Child Care Home.

Current Regulation:

IX. APPLICATION, FEES, LICENSE

B. Fees

7. *Each family child care home will be charged \$25.00 to add overnight care to the license at any time other than at issuance of an initial license or at the time of renewal.*

Proposed Regulation:

IX. APPLICATION, FEES, LICENSE

B. Fees

7. *Each family child care home and large family child care home will be charged \$35.00 to add overnight care to the license at any time other than at issuance of an initial license or at the time of renewal.*

=

FINDING OF NECESSITY: *PCLB finds it necessary, not merely desirable, to increase the fee for adding overnight care to the license at any time other than at issuance or renewal due to the increased*

staff resources involved to add this to the license. Over the past several years, costs have gone up dramatically such as salary increases, mileage reimbursement, insurance, materials, audit costs etc. The current cost to operate licensing is outpacing any increases in funding from other funders. The increased fee will help offset the increased costs of operating expenses.

Implementation Date: January 15, 2026 following December 3, 2025 Board Action if approved.

IV. To add a new regulation requiring a fee for reinspection for Family Child Care Homes and Large Family Child Care Homes.

Current Regulation:

None- the current regulations do not provide for a fee to be paid for any required reinspection.

Proposed Regulation:

IX. APPLICATION, FEES, LICENSE

B. Fees

8. A fee of \$25 for the second reinspection and \$50 for any additional reinspection necessary thereafter will be charged after a family child care home or large family child care home has received a violation of a regulation. There is no fee for the first reinspection.

**This will alter numbering of remaining sections if passed.*

FINDING OF NECESSITY: *PCLB finds it necessary, not merely desirable, to charge a fee for reinspection. After a home has been found in violation of a regulation, licensing staff are required to reinspect to be certain the home has remedied the non-compliance. Certain times centers do not remedy the non-compliance, and staff are required to reinspect multiple times. A reinspection fee (other local licensing agencies charge this type of fee) is necessary as staff spends significant time reinspecting after non-compliance has been found. The home will not be charged for the first reinspection. Over the past several years, costs have gone up dramatically such as salary increases, mileage reimbursement, insurance, materials, audit costs etc. The current cost to operate licensing is outpacing any increases in funding from other funders. The increased fee will help offset the increased costs of operating expenses.*

Implementation Date: January 15, 2026 following December 3, 2025 Board Action if approved.

V. To add a new regulation providing for an annual increase of 3% for all fees for Family Child Care Homes and Large Family Child Care Homes.

Current Regulation:

None- the current regulations do not provide for automatic increases to fees.

Proposed Regulation:**IX. APPLICATION, FEES, LICENSE****B. Fees**

9. As of January 1, 2027, and January 1 of each year thereafter, all fees in these regulations will automatically increase by 3%.

**This will alter numbering of remaining sections if passed.*

FINDING OF NECESSITY: *PCLB finds it necessary, not merely desirable, to include an automatic increase in the amount of fees. Over the past several years, costs have gone up dramatically such as salary increases, mileage reimbursement, insurance, materials, audit costs etc. The current cost to operate licensing is outpacing any increases in funding from other funders. The increased fee will help offset the increased costs of operating expenses the automatic nature of the increase will streamline the process for operational efficiency.*

Implementation Date: January 15, 2026 following December 3, 2025 Board Action if approved.
